Profile

I graduated from Computer Science at the Pedagogical University of Krakow.

I want to develop professionally in a market-leading company, cooperating with experienced colleagues.

Professional Experience

IT Helpdesk, Sieć Badawcza Łukasiewicz - Instytut Odlewnictwa

Sep 2018 – Oct 2018 | Kraków

Internship in the IT department of the Foundry Institute.

My duties were:

- Ongoing IT support for employees.
- Taking care of the proper technical condition of computer equipment.
- Diagnose and fix hardware problems.
- Maintenance of computer hardware
- Carrying out an inventory of equipment at the Institute.
- Editing of video materials
- Preparation and organization of documentation related to the performed tasks

IT Specialist, Orlen Oil

Oct 2016 – Nov 2016 | Kraków

Internship in the IT department at Orlen Oil

My duties were:

- Ongoing IT support for employees.
- Taking care of the proper technical condition of computer equipment.
- Preparation of reports using MS SQL
- Installation and configuration of Windows Server
